 Sec7 Ch43 SLA2010 P44 L11 SB230 \$19,360,000

**Project Description/Justification:**

The Anchorage Metropolitan Planning Organization (MPO) selects surface transportation improvement projects, except on the National Highway System, for receipt of federal highway funds within the Municipality of Anchorage. This process results in an approved Anchorage Metropolitan Area Transportation Solutions (AMATS) Transportation Improvement Program (TIP) which prioritizes and describes the capital projects to be funded in the coming years, and is the leading program that implements the Anchorage and Eagle River Long-Range Transportation Plans.
